

FOUR RIVERS OUTREACH Life Renewal Program

Worksite Agreement

Four Rivers Outreach provides residential recovery services for those who are recovering from substance abuse.

As a part of the recovery process, residents are allowed to work outside of Four Rivers from time to time. Four Rivers appreciates your willingness to help with this important part of the recovery process, but all worksites must be approved. It is absolutely essential for worksites to understand Four Rivers' policies regarding outside work for residents.

By signing this agreement, you as the worksite are agreeing to the following:

- You will not supply the resident(s) with any type of drugs, or alcohol.
- You will not allow the resident(s) to have contact with anyone who might supply them with drugs or alcohol. They should not make any telephone calls while working with you.
- You will make any and all payments for work done by the resident(s) directly to Four Rivers Outreach. Money earned by Residents is placed in their account, and they are able to access funds each week.
- You will not give any cash, or anything of any value, to any resident under any circumstances. Our residents are working to overcome temptations, and Four Rivers helps them reach the level of self-discipline they need in order for them to be able to use money appropriately.

Failure to comply with any of these policies may result in removal from the list of approved worksites.

I have read, and understand, the policies listed above.
